8:09

Megatron where the Star saber was first discovered and Smokescreen jumps to action, not listening to Jack.

Now, I have proof that the humans of this thing called YouTube has some things to tweak. As this line from Megatron ended up saying something else in the subtitles.

Megatron: Who in the pits of Kaon is that?!

YouTube:

I could help but laugh at what was thought to be said, as to what was said. Was this funny to you?
